Guidelines for National Adaptation Plans (NAPs)

|

Description / Abstract

The COP requested the LDC Expert Group (LEG) to elaborate technical guidelines for the NAP process based on the initial guidelines for the formulation of NAPs, and to arrange a review of these technical guidelines (decision 5/CP.17, paragraphs 15-16). The LEG organized a review meeting from 29 to 31 October 2012 in Bonn, Germany, to review a draft of the guidelines. The meeting was attended by experts and representatives of the Global Environment Facility (GEF), UN agencies and other relevant research, academic and non-governmental organizations.
