Presentation Litumelo Mater-Sievers - Q&A Session on Module 2 of Gender and IWRM Course

|

Author(s)

Litumelo Mater-Sievers

Description / Abstract

Here you can find the presentation prepared by Litumelo Mater-Sievers, Gender Specialist at GWP Southern Africa for the second event of our "Unpacking Gender and IWRM Course Modules with a Gender Expert" Q&A Series. The presentation aims to add additional insights to Module 2 "Gender, Water, and Climate Change" of the Gender and IWRM Course. We hope it will be helpful in your learning journey!
